

## **Tax Levy Ballot Language for April 2, 2024**

Shall the Board of Education of the Grain Valley R-V School District of Jackson County, Missouri, for the purpose of improving pay and benefits for teachers and other employees, as well as general operating expenses of the District including security, be authorized to increase the operating tax levy ceiling by \$0.65 to an estimated \$3.4382 per \$100 of assessed valuation beginning in tax year 2024?

If this question is approved, the adjusted operating tax levy of the District is estimated to increase by \$0.65 per \$100 of assessed valuation beginning in tax year 2024. In connection therewith, the District expects to make a corresponding reduction to its debt service tax levy of \$0.40 per \$100 of assessed valuation in tax year 2024.

This would result in the estimated overall tax levy of the District to increase by \$0.25.
